

Biographical Sketch Cristina Gutierrez

Cristina Gutierrez is a graduate of the NCAA Division I soccer program at Illinois State where she played all four years of her collegiate soccer eligibility, lettered, and graduated. She first started coaching in summers during her junior and senior years as a youth coach in Illinois State Babyfold soccer camp and the Illinois State Soccer Day and Residential summer camps. Cristina is very familiar to the valley having coached at some of the East Valley Clubs. Cristina Gutierrez has coached with a great degree of success the 93G, 95G, 96G, and 97G. She enjoys building teams and seeing players improve in their ability. Cristina holds a United States Soccer Federation C National license. She has a great deal of commitment to educate through soccer. She emphasizes the value of education on all her teams. Her commitment to education and soccer, her technical ability to teach the key points of the game, her experience with girl teams and her knowledge and personal experience of what it takes to be successful at the Division I Women's NCAA Soccer level make her a perfect fit. She also specializes in Sports nutrition and Sports Psychology. Cristina Gutierrez holds a 2001 bachelor's degree in Psychology and a 2004 Masters of Science in Sports Psychology.
